The area of taxes in Malad Sub Div. are 11 villages situated at a distance of 10 to 50 miles, though advised by the Sub-Div. Officer, have not agreed to appoint a Special Revenue Inspector to collect the taxes in the place of Talati as the income will not improve unless the taxes (Land Revenue) are collected forthwith, the Sub-Div. Officer wants the services of a Special Rev. Inspector who is to go to each village and collect the taxes.

6. In view of the recalcitrant attitude adopted by the Talati, the Collector has sought the orders of the Govt. The Govt. after considering that it is necessary to appoint a Special Rev. Inspector for the purpose for six months or so, as a special case. Since the Talati is not willing to appoint a Spl. Rev. Inspector, it is for orders which the Govt. may sanction the recommendation of the Dy. Commr. In the case of Chikkanayakanahalli Taluk, the Deputy Commissioner has sanctioned such temporary appointments in other similar cases.

7. In this connection Govt. orders issued in Lr. No. RDS 90 RLA 77-11-2 dated 28-11-1977, wherein it has been ordered that in the case of villages having areas of more than 5000 acres, Government should be moved to appoint Special Rev. Inspectors for the purpose. This, to be treated as a clarificatory order of the Govt. will be required to invite the attention of the Tahsildar to the above orders and to reconsider their previous decision so as to enable the appointment of the Special Rev. Inspector

Sir,

Subject Appointment of a Special Revenue Inspector at Magadi Town Municipality -

I have the honour to state that the mohatarfa arrears are increasing in the Magadi Town Municipality as could be seen from the marginally noted figures The collection work is very unsatisfactory as observed in the quarterly reviews of the D C B of Municipalities The Amildar President of the Municipality who was asked to explain the cause for this slackness, reports that the arrears have accumulated from a long time and that the present collection staff consisting of a single Bill collector is inadequate to cope with the work He opined that the appointment of a special Revenue Inspector for a period of at least 6 months was urgently necessary to improve the collections

Date	Arrears
1-7-1941	Rs 8381/-
1-10-1941	7,784/-
1-1-1942	9,552/-
1-4-1942	11,453/-
1-7-1942	9,868/-
1-10-1942	9,673/-
1-1-1943	10,898/-

The Municipal Council resolved at their meeting held on 31-10-1942 that on account of slender resources of the Municipality it was unnecessary to have a special Revenue Inspector The Amildar President disagreeing with the above opinion of the council requested sanction of the ~~temporary~~ appointment He was asked to advise the council to reconsider their views since the expenditure involved

involved would not be much considering the advantages to be derived thereby in reducing heavy arrears The Municipal Council have reaffirmed their original views in their meeting held on 31-12-1942 In these circumstances the Amildar President solicits further orders

The present financial condition of the Municipality is no doubt very unsatisfactory But the protest of the Municipality against the appointment of the Special Revenue Inspector only on the grounds of slender resources does not cure the defect, as there is no chance of improving the collection otherwise The Municipal council in ~~voting~~ Voting the proposal does not specifically state as to how they are going to improve the collections otherwise Unless some extraordinary steps are taken, there appears to be no scope for the reduction of the arrears

In these circumstances, I request that sanction of Government may kindly be obtained as a special case to the appointment of a Special Revenue Inspector on Rs 40/- plus Rs 5/-(C A) ~~P.M~~ per mensem for a period of 6 months in the first instance The progress of collection will be watched during the said period and a further report made re the continuance or otherwise of the Special establishment after the said period is over The connected papers accompany for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District

Instructions for the Speedy Collection of Arrears of Municipal Taxes and District Board Revenue

Issues —— in the State

READ—

The Demand Collect on and Balance Stateme ts of taxes in the Municipalit es District Boards and the Kolar Gold Fields Sanitary Board for tl e year 1940 41

ORDER No L 4268 90—ML 117 41 12 DATED BANGALORE THE 21ST NOVEMBER 1941

Two statements—one showing the Demand Collection and Balance of the revenue of the District Boards and another of the assessed taxes in the City Town and Minor Municipalities at the end of 1940 41—are appended

2 It is seen that the District Boards have very little direct revenue to collect except market fees and arrears of toll amounts These arrears should be collected quickly

3 For Bangalore and Mysore Cities there are Revenue Officers of the grade of Amildars Yet the collection of assessed taxes is only 54 per cent and 69 per cent respectively for the year 1940 41 This is not satisfactory Special measures have to be adopted to push on the collection and to collect at least 95 per cent of the demand The Revenue Staff should be warned to show sufficient progress in this direction failing which disciplinary action should be taken to stop the convey ance allowance etc The Municipal Commissioner Bangalore City Municipality and the President Mysore City Municipal Council are requested to check the work of this staff regularly and exercise effective supervision over the collection

4 The undermentioned Town Municipalities have arrears of more than Rs 10 000 and the first seven have Chief Officers —

		Rs
1	Channapatna	15 560
2	Nanjangud	10 357
3	Hassan	15 714
4	Shimoga	19 564
5	Ch kmagalur	12 283
6	Davangere	17 864
7	Tumkur	14 655
8	Closepet	11 069
9	Hunsur	11 955

5 The Municipalities of Mandva and Seringapatam which also have Chief Officers have fared very badly the collections being 41 per cent and 21 per cent of their respective demands during the year

6 The Chief Officers of these Municipalities should be warned against such slackness and in those Municipalities where the arrears as on 1st July 1941 were more than Rs 8 000 and which have no Chief Officers arrangements may be made immediately to appoint Special Revenue Inspectors so that systematic action authorised by the statute may be taken and pursued to collect the arrears and current taxes

7 In Government Orders Nos L 9094 9104—Ml 118 33 8 dated 29th May 1936 and L 9083 93—Ml 118 338 dated 29th May 1936 rules have been issued in regard to the deputation of duties and powers to the Vice Presidents of Town

and Minor Municipal Councils Government consider that from the point of view of more efficient supervision of collection work it is necessary to entrust this work to the non official Vice Presidents who would be on the spot The Deputy Commissioners of Districts are accordingly requested to advise the Presidents to give effect to the above Government Orders and also to report in how many Municipalities action has been taken to depute the powers to the Vice Presidents

8 The responsibility of the *Ex officio* Presidents for the collection of taxes in the Municipalities in their charge cannot be too strongly stress d R fe rence is invited to Circular No R 6633 42 L R 377 35 1 dated 18th June 1936 i n the matter which should be strictly adhered to

9 The satisfactory collection of Municipal taxes and dues is the *sine qua non* of efficient Municipal administration and every Municipality should efficiently discharge its duty of collecting the taxes due to it Before a Municipality approaches the Government for grants in aid for carrying out works of public utility it will be a condition precedent for making the grant that it has collected the taxes satisfactorily and has shown a spirit of self reliance thus deserving of the grant it has asked for
